## LIONS CLUBS INTERNATIONAL 2009 CONVENTION

For 27 years, Staging Directions, Inc. has partnered with Lions Clubs International for their annual conventions.

Following last year's successful event in Bangkok, Thailand, 12,000 Lions celebrated the 2009 convention in Minnesota at the Minneapolis Convention Center.

A sampling of this year's speakers and entertainment included Minneapolis Mayor R.T. Rybak, Senator Amy Klobuchar, Former Secretary of State Gen. Colin Powell, Lions of Michigan All-State Band, Pennsylvania All-State Band, University of Minnesota Golden Gopher Cheerleaders, The Beach Boys and Jay and the Americans.

Staging Directions, Inc. (SDI) was able to produce this large-scale event utilizing its substantial equipment and personnel resources.

In addition to the main General Session, SDI managed two other session rooms complete with sound, lights, video, scenic and entertainment.

Lions Clubs International was delighted with the event and awarded SDI with another 5-year contract.
